

Strategic Plan 2021 - 2025

Vision: Creating a safe environment to have fun, stretch boundaries and make memories for all.

Six Pillars

1. Communication

More communication pathways between PCANT and member pony clubs.

PCANT to approach clubs and encourage communication.

- a) *PCANT to attend club meetings if invited*
- b) *PCANT to distribute more information via social media*
- c) *Regular meetings with Club Presidents*
- d) *Support early planning within clubs and with PCANT*

2. Governance

a) Maintain good governance practices.

b) Continue to develop website with updated policies

c) Regularly evaluate board procedures and portfolios

d) Develop templates for Championships and other State events

3. Adult Riding Development

a) Encourage and support clubs to develop quality adult riding programs

b) Provide resources to develop adult riding groups

c) Survey and understand community needs

4. Regional Development

a) Communicate and survey regional requirements

b) Support more clinicians to travel to regional areas to run clinics and riding programs

c) Encourage and support regional riders to travel to beyond local areas

5. Retention and Development of Teenage/Senior Riders

a) Survey riders

b) Develop programs appropriate to social development and riding abilities

c) Support and resource clubs

d) Continue developing a Development Squad

6. Coaching

a) Have a strong NT voice at the National level

b) Educate and grow coaches with regards to Pony Club Australia syllabus of instruction by holding regular urban and regional workshops

c) Develop and grow annual coaching development school

Triggers for review: Request of NT pony clubs or NT government funding body; significant changes to Pony Club Australia strategic plan; December 2025
